Dear Ian

Auckland Diabetes Centre works mid 2009 - PRACTEC as contractors

On behalf of the team at the Diabetes Centre, I want to express our appreciation of the work done by Practec in developing our new space. Throughout the process they have been helpful, prompt, considerate and above all, flexible in accommodating some necessary changes.

It's really good to be able to express our thanks to them for the quality of the work that they have done, and I hope this may be helpful in choosing builders for future ADHB works.

With kind regards.

Yours sincerely,
